SALARY	\$64,814.67 - \$72,383.17 Annually	LOCATION	Fire Department Burnsville, MN
JOB TYPE	Full-Time	JOB NUMBER	2024-00248
DEPARTMENT	Fire Administration	OPENING DATE	04/08/2024
CLOSING DATE	4/28/2024 11:59 PM Central		

Position Details

As a Fire Trainee, you'll develop the knowledge, skills, and abilities to protect and save life and property through effective rescue and firefighting work, and fire prevention activities. To respond to emergency medical calls and render aid to victims. We take care of you with a strengths-based culture of support and development and a total rewards package. Our department has a very active health and wellness program to support our members to include physical and emotional wellness.

Burnsville Fire is a full-time career department that responds to all hazards and provides advanced life support emergency medical service transport capability to our community. Our 55 member department operates out of two fire stations, is ready to serve at a moment's notice, and actively engages with the community to reduce risk and increase safety awareness.

This role is full-time. Fire Trainees will have no more than 24 months to successfully obtain all certifications required to become a firefighter/paramedic. [Learn more about the Fire Trainee position here.](#) Visit our [website](#) to learn more.

How you'll use your strengths every day

Fire Trainees value people and perspectives by:

- Quickly and safely responding to emergencies with proper equipment.
- Performing fire and rescue skills as trained and within their current qualifications.

They are on the leading edge when they:

- Attends training sessions, studies material on fire hazards and firefighting or rescue methods.
- Maintains familiarity with city streets and all department equipment.

And they expect the best by:

- Renders aid to victim(s) as required in accordance with department policy.
- Maintains all paramedic skills in accordance with all regulations.

What you'll bring to help you be successful

- Firefighter 1 & 2 Certifications (Pro-board or IFSAC)
- Completion of HAZMAT Operations Class compliant with NFPA 472 or 1072

- Current Emergency Medical Technician Basic or Advanced Certification (both Minnesota EMS Regulatory Board and National Registry of EMTs)
- Valid Drivers License
- NIMS IS-100, NIMS IS-200, and NIMS IS-700 ([Complete the classes here](#))
